

EU Persistent Organic Pollutants Compliance Statement

Directive 2019/1021

Fibercore is fully aware of the requirements under the consolidated version of the Regulation (EU) 2019/1021 of the European Parliament and of the Council of 20 June 2019 on persistent organic pollutants (recast) and the latest version of the list of substances subject to POPs Regulation from the European Chemicals agency

Fibercore can confirm that its products do not contain any of the listed persistent organic pollutants (POPs) in the latest version of the table in the url above.

Fibercore will continue to monitor any new amendments or changes to the list and subsequently review its position with regards to compliance. Fibercore will also ensure that any new information is communicated to its customers, suppliers and stakeholders as required.
